To: Pers Camden <perscamden@gmail.com>

Thank you for contacting the London & Southeast Migrant Help Regional Initial Accommodation Team.

We appreciate you reaching out to us and want to let you know that we have received your e-mail and aim to respond within 48 hours.

Please note that this mailbox is monitored between 10am - 3:45 pm - Monday to Friday.

Outside of these hours, you will need to telephone the Migrant Help 24-hour helpline on 0808 8010 503 or use the online self-service portal available at www.migranthelpuk.org

So that we can help you effectively and to prevent delays, please read the following guidelines and re-send us your e-mail if it is missing any of the required information:

- If we have requested documentation to support your application for asylum support, to prevent delays, please ensure that you have included your port reference number, full name, and date of birth.
- If you are contacting us on behalf of someone else, we will not be able to disclose any information without a signed letter of consent.

Some advice and information that may answer your question:

- **Solicitors / Legal Services:**
We cannot provide you with a solicitor nor recommend one. Please visit the Law Society website where you can search for local legal services in your area: [Find a Solicitor - The Law Society](#)
- **Getting your first ASPEN card:**
If you are waiting for an ASPEN card, you will be sent one shortly after you have been granted 'Section 95' support. This can take several weeks after you complete your application.
- **Asylum Registration Card / "ARC":**
If you are waiting for your Asylum Application Registration Card (ARC), you will need to contact the Home Office. Please visit the following guide on our website for further information: [I have not received my ARC card | Migrant Help \(migranthelpuk.org\)](#)
- **Proof of your Section 95 Support:**
If you need proof of your Section 95 support, please e-mail proofsupport@migranthelpuk.org
- **Permission to work in the UK:**
If you would like to apply for permission to work in the UK, you will need to contact the Home Office. You can do so by e-mailing: AomPTW@homeoffice.gov.uk . If you do start working, you will need to let us know as this may affect your Section 95 support eligibility.
- **Moving out of a hotel:**
Unfortunately, it may take a long time before you are offered housing outside of a hotel. Migrant Help does not have control over the duration of this process. If you have medical reasons that you want the Home Office to consider, please provide us with evidence, such as a letter from a doctor, and we can forward it to

the Home Office on your behalf.

- **Hotel food:**

If you are unhappy with the food provided at your hotel, we are unable to assist unless there is a medical reason and you have provided us with evidence.

We'll be in touch soon.

We appreciate your patience and understanding during this process.

Thank you once again for contacting us.
