Dear Pers,

You've been in touch with us, and your issue was given the reference number **260101-000014**.

We've included the full history of our contact with you for this case below, so please review that to see our latest response.

We'd love to know how we could improve service for our customers by asking you to complete a short survey with a maximum of six questions, which take less than 5 minutes to complete.

There are a maximum of six questions and the survey should take less than 5 minutes to complete.

If you would like to share your views, please click [here](#).

Thank you for your time.

Unfortunately, this email is automated and we can't receive replies to it. We're happy to help you with any questions or concerns you may have. Please contact us directly via www.networkrail.co.uk/contact or call 03457 11 41 41

The new Digital Lineside Notification service is now available for lineside neighbours to be notified of railway works happening nearby.

Register and sign up for our new digital notification service by scanning the QR code or clicking the link below for notifications in your area via email.
