I see that this email address given to me for contact has "first_contact" on it.

I would like to clarify that this is actually NOT the first contact. The incident (theft) happened in the evening of 9 Sep 2025 and was reported to the BTP office inside the King's Cross Station in the evening of 10 Sep 2025. It wasn't reported earlier because there was no one answering at the office.

Please note that for some reason it was sent to Metropolitan Police although I reported it to the BTP office in King's Cross Station. I hope the police forces will manage the coordination and let the appropriate force(s) handle the incident fairly and quickly. It has been a week already and I am in great trouble because of the loss of the backpack and all the things inside.

The previous reference numbers I was given include

SP-146449-25-0101-IR

01/7956733/25

The location is just outside King's Cross Station. I hoped to show the police and check the CCTV footage together, but unfortunately it didn't happen. It's on the side of King's Cross Square.

The appearance of the stolen backpack was black with added white strings and signs on it unless they were removed, which I incline to believe the BTP had a good idea since I had been approached a few times before the incident.

Other important items in the backpack include but are not limited to a laptop and a wallet with a lot of cash and documents.

Lastly, I want to explicitly ask the police forces not to actively find or even create "reasons" to render me helpless again. I believe the police already know about the case much more than I do.

Please ask and be explicit if there is something you need to know more.
