I have said that I am sending to whatever email address I could find. Complaining against yourselves is your hobby, I have nothing to do with it. So, what's this number in the title?

You are saying that you asked yourselves and then you answered yourselves? So?

there were no further lines of investigation and the report has been screened out as no CCTV and the time frame being too large for investigation to take place.

(end quote)

What is this time frame?

Non-sense aside, when will I be able to get my property back?

Dear Mr Chun,

Further to the below email, i have liaised with PC Saggers and he confirmed you were already spoken to on 12th September via email and it was explained the case had been closed for the following reasons - there were no further lines of investigation and the report has been screened out as no CCTV and the time frame being too large for investigation to take place.

I appreciate this may be frustrating for you and I apologise you are dissatisfied with the service you have received. From speaking to PC Saggers and reviewing the investigation, policy has been followed and your crime report will not be investigated further unless new information comes to light.

Thank you for bringing your concerns to our attention.

Kind regards
