Hello Pers Camden,

We're reaching out to let you know that we've got your complaint, and we appreciate you telling us about the issues you've had.

We're sorry for not getting things right the first time – it's not what we'd expect. We'll do our best to investigate everything and fully resolve the situation.

We aim to do this as quickly as possible, but please give us up to 28 days while we check your complaint thoroughly.

What happens next?

Your complaint will be passed on to a specialist in our team, who'll support you throughout the process.

They'll look at all the issues you've raised and might call or text you to find out more and talk through a resolution. The number you'd be contacted from is 03448 090222.

Don't worry – if they can't reach you, they'll write to you with an offer of a resolution. You'll have 28 days to get back to them with any more thoughts before we close your complaint.

If you disagree with the resolution, please let us know. We have our Consumer Complaints Code of Practice, which you can read [here](#)

We'll be in touch soon,
The O2 Complaints team
